COMMITTEE/MEMBER Congressman Floyd Fithian
SUBJECT CIA Involvement with Nazi War Criminals
ACTION OFFICER [redacted]

STAT

SUMMARY: Andy said he has number of constituent inquiries concerning subject matter and wanted comment from CIA on these allegations.

I advised Andy of the current inquiry from House Judiciary Comm. to GAO and that we could not respond to any constituent inquiries on this subject.

I went on to explain the genesis of the current inquiry and read him parts of the DDCI letter of 18 May 1978. He asked for a copy of that letter and I agreed (after consultation with Public Affairs and OGC) to send it along to him.
